INDEPENDENT AUDITORS' REPORT

Board of Directors Partners Worldwide, Inc. and Affiliates Grand Rapids, Michigan

Opinion

We have audited the accompanying consolidated financial statements of Partners Worldwide, Inc. and Affiliates, which comprise the consolidated statements of financial position as of June 30, 2023 and 2022, and the related consolidated statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the consolidated financial position of Partners Worldwide, Inc. and Affiliates as of June 30, 2023 and 2022, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of Partners Worldwide, Inc. and Affiliates and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Partners Worldwide, Inc. and Affiliates' ability to continue as a going concern within one year after the date that the consolidated financial statements are available to be issued. Board of Directors Partners Worldwide, Inc. and Affiliates Grand Rapids, Michigan

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Partners Worldwide, Inc. and Affiliates' internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Partners Worldwide, Inc. and Affiliates' ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Notes to Consolidated Financial Statements

June 30, 2023 and 2022

1. NATURE OF ORGANIZATION:

Partners Worldwide, Inc. (PW), a Michigan nonprofit corporation, was established for the purpose of promoting and enhancing international and domestic development of small business in developing communities and countries by creating jobs.

PW operates as a charitable religious organization within the meaning of Section 501(c)(3) of the Internal Revenue Code (Code) and applicable state regulations and has been classified as a publicly supported organization, which is not a private foundation under Section 509(a) of the Code. It is exempt from federal and state income taxes and contributions by the public are deductible for income tax purposes.

Partners Worldwide Canada (PWC), a Canada not for profit corporation, was established for the purpose of promoting and enhancing international and domestic development of small businesses in less developed communities and countries, creating jobs, and supporting the mission of PW.

PW Entrepreneurs L3C (PWE), a Michigan low-profit limited liability company, was established for the purpose of promoting and enhancing international and domestic development of small businesses in less developed communities and countries, creating jobs, and supporting the mission of PW. There are three members in PWE, of which PW has the majority ownership.

Partners Worldwide Southeast Asia Organization, Inc. (PWSEA), a non-profit company located in the Philippines, was established for the purpose of promoting and enhancing development of small businesses in Southeast Asia and supporting the mission of PW. Partners' revenue is generated primarily from charitable contributions.

2. SIGNIFICANT ACCOUNTING POLICIES:

BASIS OF ACCOUNTING

The preparation of consolidated financial statements, in accordance with accounting principles generally accepted in the United States of America, requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from these estimates. The more significant accounting policies are summarized below.

PRINCIPLES OF CONSOLIDATION

The consolidated financial statements of Partners Worldwide, Inc. and Affiliates include the consolidating financial resources and activities of PW and its subsidiary organizations, PWC, PWE, and PWSEA. Due to immaterial financial activity, PWSEA is not presented separately within the consolidating statements. All interorganization balances and transactions have been eliminated in the consolidation.

Notes to Consolidated Financial Statements

June 30, 2023 and 2022

2. SIGNIFICANT ACCOUNTING POLICIES, continued:

CASH AND CASH EQUIVALENTS

Cash and cash equivalents include bank and brokerage checking, savings and money market accounts. Certain items that meet the definition of cash equivalents but are part of a larger pool of investments are included in investments. From time to time, deposits may exceed federally insured limits. At June 30, 2023 and 2022, Partners Worldwide, Inc. and Affiliates exceeded federally insured limits by approximately \$211,000 and \$612,000, respectively.

INVESTMENTS

Investments are reported at cost and fair value, as disclosed in Note 4. Realized and unrealized gains and losses, interest and dividends are presented as investment income (loss) in the consolidated statements of activities as a change in net assets without restrictions unless designated as restricted by the donor. Donated investments are liquidated at market value on the date of donation.

FAIR VALUE MEASUREMENTS

PW determines fair value based on a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value.

Level 1 Quoted prices in active markets for identical assets or liabilities.

Level 2

Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full-term of the assets or liabilities.

Level 3

Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

PW uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, PW measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are only used when Level 1 or Level 2 inputs are not available.

RECLASSIFICATIONS

Certain prior year amounts have been reclassified to conform to current year presentation. Investments in the amount of \$11,850,566 were reclassified from Net Asset Value (NAV) to Level 3 investment leveling in Note 4 below. There was no impact to consolidated net assets or the consolidated financial statements as a result of the reclassification for the year ended June 30, 2022.

Notes to Consolidated Financial Statements

June 30, 2023 and 2022

2. SIGNIFICANT ACCOUNTING POLICIES, continued:

BOARD DESIGNATED INVESTMENTS

The board of directors created a fund for estate gifts that are received with no donor restrictions. Ten percent of the gifts from this fund will be distributed immediately to the general operations of PW. The remaining funds are then invested and distributed annually over the next six years for general operations.

PLEDGES RECEIVABLE

Unconditional pledges receivable are recognized as revenue in the period the pledge is made. Pledges receivable are stated at the amount management expects to collect from balances outstanding. Management provides for probable uncollectible amounts through a charge to earnings and a credit to a valuation allowance based on its evaluation of the status of individual accounts, past credit history with donors and the donors' current financial condition. Balances that are still outstanding after management has used reasonable collection efforts are written off through a charge to the valuation allowance and a credit to pledges receivable. PW considers pledges receivable to be fully collectible; accordingly, no allowance for doubtful promises to give has been recorded. Further, all unconditional pledges receivable are expected to be collected within one year, therefore a pledge discount was not calculated as of June 30, 2023 and 2022.

FIELD ADVANCES AND OTHER ASSETS

PW funds numerous projects in countries outside the United States. Field managers in those countries request funding for approved projects. Field advances include amounts forwarded to those foreign bank accounts. As funds are spent, the field advance account is decreased and the various project expenses are recognized.

NOTES RECEIVABLE, NET

PW and PWE provide loan capital to qualified affiliates worldwide, who then manage funds locally by identifying and providing loans to entrepreneurs who have received business training, mentoring and coaching and are prepared to take their business to the next level.

Notes receivable are reported net of any anticipated losses due to uncollectible accounts. The allowance for loan losses is based on management's evaluation of the collectability of the overall loan portfolio, including trends in historical loss experience, payment patterns from the borrowers, and general economic conditions. As of June 30, 2023, the allowance, totaling \$300,000 for PW and \$440,000 for PWE, is maintained at a level that, in management's judgment, is adequate to absorb potential losses inherent in the loan portfolios. As of June 30, 2022, the allowance was \$300,000 for PW and PWE.

Notes to Consolidated Financial Statements

June 30, 2023 and 2022

2. SIGNIFICANT ACCOUNTING POLICIES, continued:

PROPERTY AND EQUIPMENT, NET

Property and equipment are stated at cost, if purchased. Donations of property and equipment are recorded as support at estimated fair value at the time received. Such donations are reported as support without donor restrictions unless the donor has restricted the donated asset to a specific purpose. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as restricted support. Absent explicit donor stipulations about how long those long-lived assets must be maintained, PW reports expirations of donor restrictions when the donated or acquired long-lived assets are placed in service. PW follows the practice of capitalizing, at cost, all expenditures for fixed assets in excess of \$2,500. Depreciation is computed using the straight-line method over the estimated useful life of the asset.

CLASSES OF NET ASSETS

The consolidated financial statements report amounts separately by classes of net assets as follows:

Without donor restrictions are those currently available at the discretion of management and board of directors for use in the Partners Worldwide, Inc. and Affiliates' operations.

With donor restrictions are those contributed with donor restrictions for specific operating purposes or those with timing restrictions. Net assets with donor restrictions consist of cash, pledges receivable and investments restricted for business growth and job creation program efforts throughout the world.

REVENUE AND SUPPORT

Contributions are recorded when the cash is received, unconditional pledges are made or when ownership of donated assets is transferred. All contributions are considered available without donor restrictions, unless specifically restricted by the donor or subject to legal restrictions. Gifts of cash and other assets are reported as restricted support if they are received with donor stipulations that limit the use of donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the consolidated statements of activities as net assets released from restrictions.

PW has elected the policy to record conditional contributions received with donor restrictions as contributions without donor restrictions if the restrictions are met within the same fiscal year received.

Notes to Consolidated Financial Statements

June 30, 2023 and 2022

2. SIGNIFICANT ACCOUNTING POLICIES, continued:

DONATED SERVICES

Donated services that create or enhance nonfinancial assets or that require specialized skills, are provided by the individuals possessing those skills, and would typically need to be purchased if not provided by donation, are recorded at fair value in the period received in the consolidated statements of activities. The donated services are valued based on an estimate of the wage for the same services. The services provided during the years ended June 30, 2023 and 2022, were business consulting services as part of their Business Affiliate program.

In addition, many other volunteers have contributed significant amounts of time to PW without compensation. These contributions, although clearly substantial, are not recognized as contributions in the consolidated financial statements since the recognition criteria was not met.

FUNCTIONAL ALLOCATION OF EXPENSES

The costs of providing the program services and supporting activities have been summarized on a functional basis in the consolidated statements of activities and consolidated statements of functional expenses. Certain costs not directly attributable to specific program services or functions have been allocated to program services and supporting activities. Management allocates costs based on staff time attributed to the function. PW incurred no joint costs during the years ended June 30, 2023 and 2022.

FOREIGN OPERATIONS

As of June 30, 2023 and 2022, PW held notes receivables with businesses in foreign countries in the amount of \$3,225,547 and \$2,987,806, respectively. It should be noted that the political situation in these countries are subject to rapid change. Therefore, the reader should be aware that while management believes the assets are properly stated at the date of this report, subsequent changes could occur that would adversely affect the value of the assets in other countries.

RECENTLY ADOPTED ACCOUNTING STANDARD

In 2020, the Financial Standards Board (FASB) issued Accounting Standards Update (ASU) No. 2016-02, *Leases* (Topic 842). The new standard requires organizations that lease assets with terms of more than 12 months to recognize on the consolidated statements of financial position the assets and liabilities for the right-of-use and obligations created by the leases. Lessor accounting remained largely unchanged under the new standard. PW adopted the provisions of this new standard during the year ended June 30, 2023. PW had no leases that were effected by this standard, therefore, adoption of this standard had no effect on change in net assets or net assets in total for the years ending June 30, 2023 and 2022.

Notes to Consolidated Financial Statements

June 30, 2023 and 2022

3. LIQUIDITY AND AVAILABILITY OF RESOURCES:

The following table reflects PW's financial assets as of June 30, 2023 and 2022, reduced by amounts not available for general expenditure within one year. Financial assets are considered unavailable when illiquid or not convertible to cash within one year.

5. NOTES RECEIVABLE, continued:

Partners Worldwide, Inc. and Affiliates adopted the provisions of the *Receivables* topic of the FASB ASC. These provisions require disclosures about the credit quality of financing receivables and the allowance for credit losses. PW and PWE provide loan capital to qualified affiliates world wide, who then manage funds locally by identifying and providing loans to entrepreneurs who have received business training, mentoring, and coaching and are prepared to take their business to the next level.

PW and PWE determined their allowance for estimated losses on these notes by looking at historical default rates and analyzing the aging of the past due notes.

The aging of the Global loan portfolio by classes of notes consist of the following:

Classes of notes	Not in repayment	Less than 240 days Current past due		Greater than 240 days but less than 2 years past due gast due Greater that 2 years less than 5 year past due		Greater than 5 years past due	Total
As of June 30, 2023 Global notes	: \$ 841,942	\$1,898,975	\$ 136,314	\$ 47,834	\$ 348,316	<u>\$ -</u>	\$ 3,273,381
